Mr. S. Rlbert Powell,
41 North Church Street,
Carbondale, Pa.

Dear Mr. Powell:

I think that restoring the clock in City Hall is a great idea. Of course, it should have been done long before this - I am glad that somebody is taking the bull by the horns and getting this done.

If if wasn't for our good reporter for the Scranton Tribune, Mr. Ray Rinaldi, we would'nt know what the H----! was going on.

Good luck.

Sincerely,
E. W. "Ernie" Haubens

NB: I trust that my donation will help on this project.
